

Dear families

What a relief it is to be back at school with all our pupils and staff. It was a wonderful feeling to welcome everybody back on Tuesday. Children have been amazing and picked things straight back up with resilience and determination. Staff have planned learning carefully to support the transition back and the children have had a wonderful week. This week, the children have had creative curriculum day, which means additional time for more creative, messier learning opportunities. We have seen lots of painting and art work, and lots of food preparation and cooking!

In EYFS this week the children have continued with the story The Three Billy Goats Gruff. They have acted out the story in their role play using masks and costumes. The children have been busy writing sentences and using capital letters, finger spaces and full stops. In Maths they have been focusing on number formation as well as one more than a given number. In Art they have

been painting on foil and mixing colours based around Starry Night and demonstrating their wonderful artistic skills. In phonics they are blending CVC words three times per day and are now becoming confident little readers. We have a brand-new construction area in our outdoor space and the children have been busy with tasks like building a house, car and super strong walls.

This week in Year 1 we have been looking for deciduous and evergreen trees around the school grounds in science. We have also been preparing to do some collagraphy by sticking down materials to create weather symbols ready to use them for printing next week.

Year 4 have been learning about the journey of a river in geography this week. They were able to identify the key features of a river, label and describe each part.

This week, Year 6 have been exploring Inuit art and printmaking, with a particular focus on the work of renowned Inuit artist Kenojuak Ashevak.

After learning about Inuit culture and studying Ashevak's distinctive style, pupils experimented with colour and design to create their own prints. They carefully cut their own stencils and used printing techniques to produce some beautiful pieces of Inuit-inspired artwork.

We hope you all have a wonderful weekend and look forward to seeing you all on Monday.

## Important information - Term time holidays

Improving school attendance is a key priority for all schools across Essex. Where families choose to take a family holiday during term time, this can detrimentally impact a pupil's progress and can prevent them from fulfilling their true academic potential. Our school attendance policy, available via our school website, clearly sets out the process that parents should follow if they wish to apply for leave during term time. Please note that applications should only be made, if you feel that there are exceptional circumstances which mean that the leave cannot be taken during the school holidays. We would ask all parents to note that, where families choose to go on holiday during term time and the absences are coded as unauthorised, Essex County Council may not issue penalty notices and may instead proceed straight to prosecution and place the case directly before the Magistrates for their consideration in court. If found guilty by the Magistrates, parents could face a fine of up to £2,500 and/or 3 months imprisonment.

### **Studybugs**

#### Studybugs

Fairhouse are using a more efficient and secure system for messaging parents, called Studybugs. The website & app has an easy to use messaging service which allows us to set up a chat feature with parents to notify you of anything you may need to know about and answer any queries you may have. It is also our absence line service allowing parents to easily notify school of their child's absence.

Please download the free Studybugs app, or register on the Studybugs website.

If you need any assistance in setting this up on your phone, please call into the school office and we will be happy to help.

#### Break Time Snack

Our snack shop has a range of healthy snacks available daily. Each item costs 50p and children are limited to one item each. If you wish to send your child in with a snack from home please do try to make sure it is something from our approved snack list.

Key Stage 1 children will continue to receive a piece of fruit as part of the healthy schools initiative.
